What's *really* in that tree?

LilithDark.com

One Little Girl One Big Adventure!

Lilith Dark is a brave Beastie-Slayer, or so she likes to pretend. Her fantasies have a way of getting her into trouble. *A lot of trouble.*

Lilith knows there are *real* beasties out there, living beneath the creepy old tree across the way. Can Lilith find and destroy the wicked beasties, or will she and her family be their next meal?
